Director's Notes

We had a wonderful semester filled with exciting events and memorable field trips!

On December 18, 2025, we celebrated our Christmas party with music, a special show, and a gift distribution generously provided by Radio Estrella Digital. We also hosted our "Giving Tree" event, organized by members of St. James Episcopal Church, who donated clothing and educational toys for WDP students. In addition, the St. James Episcopal knitting club shared their kindness by providing handmade Christmas hats for our students.

In April, all students participated in vision screenings. We welcomed a special visit from the Marietta Fire Department, which was both educational and engaging. We also enjoyed two fun field trips to Talpa Store and Switzer Library, where students had enriching and enjoyable experiences.

As we approach the end of the school year, we are excitedly preparing for graduation and completing our final activities. Teachers are finalizing student assessments and wrapping up the last units of the curriculum.

Thank you to everyone who contributed to making this semester so special!
